

**TCA**

# **Internationalisation strategies**

Gonnie van der Eerden  
Marieke Denissen

# Country contexts

To get an idea of the VET context of all the countries in the room

Finland, Czech Republic, Germany, Greece, Hungary, Latvia, The Netherlands, Slovenia

# Stand in a line:

We will be forming a line from left to right on several statements, one to get going,

stand in a line:

***from short to tall***

# Stand in a line:

Number of qualifications provided by  
your own VET school

(lowest to highest)

# Stand in a line:

Years of experience of your school on  
internationalisation

(lowest to highest)

# Stand in a line:

Current number of foreign partners  
of your institute

(lowest to highest)

# Stand in a line:

The level of autonomy of the VET schools in respect to the national government

**(non – (*national level*) to all – (*school level*))**

Choose a side:

Is there any national policy on internationalisation in your country?

(Yes = stand left, no = stand right)

# Stand in a line:

Your trust that this TCA will really add to the  
organisational development of  
internationalisation

(lowest trust to highest)
