

„DREAMING SESSION“

1. PAIR WORK 20' min
2. SHARING 5' min
3. FINALIZING 5' min

IMAGINE AND WRITE DOWN:

5 years from now...

- **What will your institution look like?**
- **What have you achieved through internationalization?**
- **Describe an ideal picture...**
- **If you already have an institutional vision – try to recall it and modify/fine-tune it (if needed)!**

Vision: Outlines what an organization would like to achieve and gives purpose to the existence of the organization

The good vision:

- brief but comprehensive
- specific to the institution
- concrete (needs no extra specification)
- simple
- ambitious
- aligns to the values
- internationalization?
