

Staff mobility opportunities

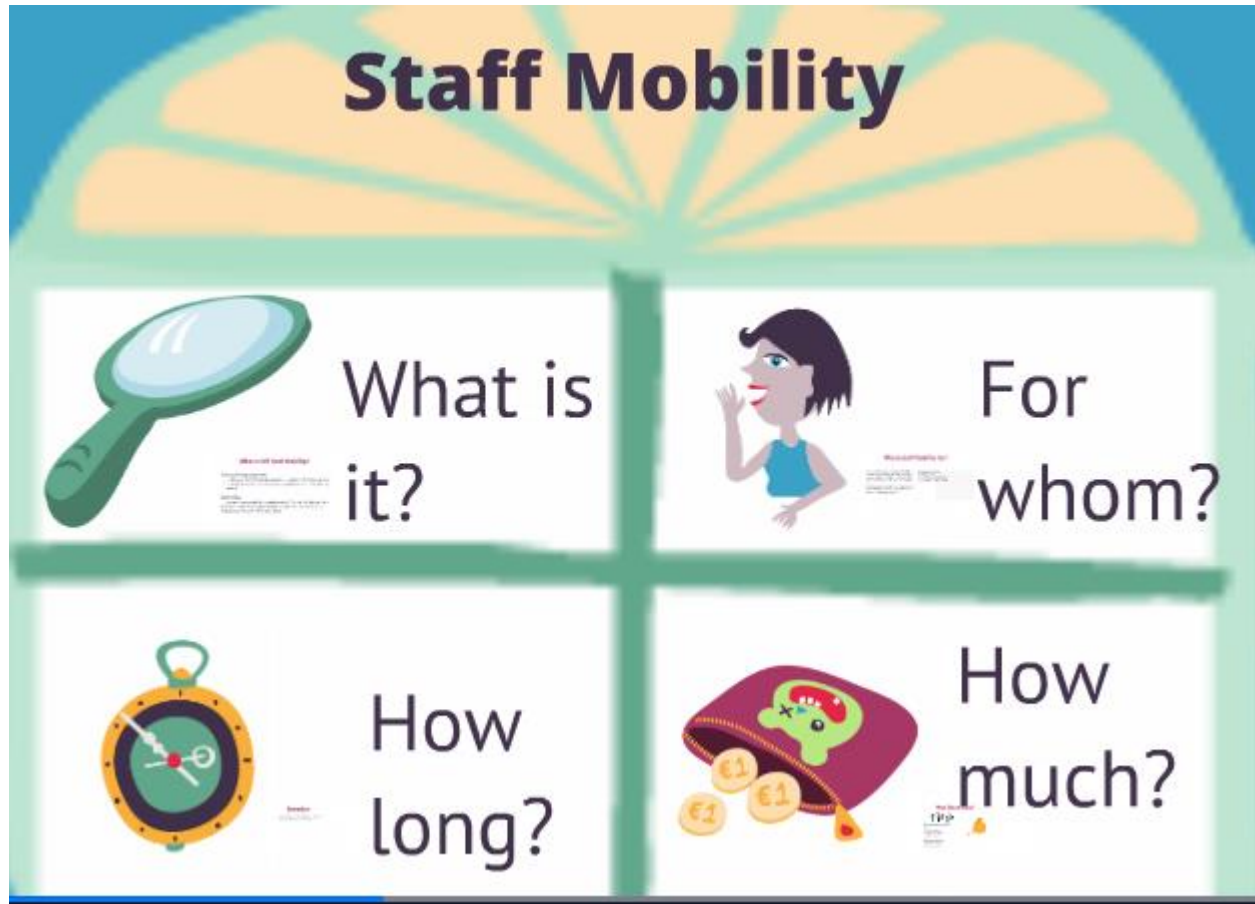

What will happen during the next 45 minutes?

Getting to know each other

Erasmus+ staff mobility: How does it work?

What is it?

- Staff training:
 - supports the professional development of VET staff
 - through a work placement or a job shadowing/observation period abroad in a company, Vocational School or any other VET provider
- Teaching/training assignments:
 - allow staff of Vocational Schools and VET providers to teach at a partner VET school/provider abroad
 - allow staff of companies to provide training at a VET provider/or company abroad

Whom is it for?

- **Staff in charge of VET:**

- e.g. teachers, trainers, international mobility officers, staff with guidance functions etc.
- as well as other staff involved in the strategic development of the organisation

Condition: External Staff needs to in a working relation with the sending organisation (s)

- **Incoming Staff mobility!:**

- Training staff from, companies from another programme country who has been invited to teach at the applicant VET provider, Vocational Schools and / or in the organisations of the consortium where relevant
